

Jurby Parish Commissioners

August Monthly Meeting

7.00pm Jurby Parish Hall Monday 12th August

There is only 1 item on the Agenda for this meeting which is the changes to Jurby Airfield proposed in the Draft North and West Plan.

We anticipate a large number of people wishing to attend and the Parish Hall will be open from 6.45pm. The Hall is restricted to 100 people for fire regulations.

We would appreciate it if parking could be away from the Hall to avoid traffic congestion. We would suggest the Parade Ground next to the Health Centre. The Northern Police Team have been made aware of the meeting in case of traffic or other congestion issues.

The aim of this agenda item is to present Jurby Parish Commissioners and Parishioners with as much information as possible about the background and current position of Jurby Airfield and the draft North and West Plan.

The format of the meeting will be :-

Speakers will present (currently Gary Cobb , Airport director). Ministers from Cabinet Office and Planning have been invited but not yet accepted.

As with all Commissioners Meetings the Public can only speak when invited by the Chair of the meeting and thus The Chair of the meeting will ask for questions from the floor in an orderly manner.

We look forward to seeing you all there and to have a productive meeting.
